

TALK

Supporting People with **Aphasia** after Stroke

CELEBRATING
20
YEARS
1998 - 2018

Local Fundraising Volunteers: Aim- To build a team of enthusiastic volunteers, keen to fundraise. This will also help raise our profile and help promote the service our charity offers, in helping people with aphasia following a stroke.

We are looking for friendly, approachable and enthusiastic volunteers to get involved in many activities throughout the year to raise much needed funds. This could include local village fairs, sponsored walks, golf days, selling raffle tickets, ordering and selling our TALK Christmas cards, making collections outside your local supermarkets and implementing any other fundraising ideas you may have.

There will also be the opportunity to organise a whole event, helping to run it on the day and getting the support from the team of fundraising volunteers.

We would also like our fundraising volunteers to put together a list of planned fundraising days/events, which can then be added to our charity events page on our website and in our newsletter. This will hopefully generate as much support as possible for our fundraising events.

Please contact our Operations Manager, Sharon Spurdle
